### **Notice for representatives, members and employees of customer companies**

The Customer hereby acknowledges that the provisions of privacy policy - Regulation (EC) 2016/679 of the European Parliament and Council dtd 27 April 2016 on protection of individuals within the scope of personal data processing, hereafter "GDPR" - concern the processing of personal data, which are related thus to individuals only and are collected and processed by the Supplier for the conclusion and execution the Contract. These provisions shall not be applied to any data concerning companies, entities and associations. For the purposes hereof, the Supplier may carry out the processing of the personal data regarding (i) the Customer, in case of a sole trader or a freelancer and/or, in any case (ii) the representatives, members, employees or partners of the Customer.

The Customer hereby declares to be aware, pursuant to art. 13 of GDPR, that the personal data disclosed by him for the purposes connected to the conclusion and execution of the Contract are collected and processed by the Supplier, as Data Controller, only for said purposes and for the relevant statutory, administrative and accounting obligations, by means of appropriate procedures (including any IT procedures), through the internal staff specifically appointed thereto and by employing external collaborators who will be appointed as data processors or officers in charge of the processing. The Customer acknowledges that, as regards to the personal data processed for the conclusion and execution of this Contract, the individual who is concerned by the data ("the Data Subject") has the right of access, amendment, limitation, deletion, portability and opposition (articles 15-22 GDPR), and also the right to lodge a complaint with the Privacy Authority.

The Customer is obliged to guarantee the lawful use of the personal data concerning any representatives, officers, employees and collaborators thereof included but not limited to, which may be disclosed to the Supplier for the conclusion and execution of the Contract, in particular for the correct performance of the reporting obligations to the data subjects and, if required, the obligation to obtain their consent as regards the processing of their personal data by the Supplier for the above purposes and in the terms stated above.
