## **INSTRUCTIONS FOR USE**

- If the padding or the upholstery show defects, fluff them up to restore the original shape.
- Handle with particular care all products with column as they are fixed with a conical coupling.
- Do not seat on the armrests or on the back of the chairs or sofas.
- Do not seat wearing wet or abrasive dresses.
- Do not use solvents or abrasive cleaners.
- Make sure to keep upholstered material out of direct sunlight or heaters.
- Ecology: avoid release to the environment after use, carry out disposal depending on the type of material and refer to qualified personnel.

## **CARE AND MAINTENANCE**

### **Fabrics**

Vacuum or dust regularly. Wipe excess liquid immediately with a clean smooth cloth or a wet sponge. The fabrics can be superficially sanitized as per the Decree of the Italian Ministry of Health with solutions of water and 70% ethyl alcohol and commercial disinfectant products ready for use. We suggest to test the product on a small hidden corner of the surface you need to clean. ulire. Light colours should not be put in contact with fabrics or clothes treated with unbound dyes, this to avoid stains and marks of dyes that could not be cleaned.

## **Genuine leather**

Leather is a natural product that preserves aspects deriving from its origin even after its processing.

Any scars, streaks, wrinkles, different shades and luster are not to be considered defects but features proving the natural origin of the product.

Wipe with a white damp cloth. Wipe excess liquid immediately with a white sponge, dabbing lightly with a damp cloth. Do not rub hard. In case of stubborn spots and stains use specific leather cleaning products only.

## **Polypropylene and Polycarbonate**

Vacuum and dust regularly. Stains can be cleaned with a soft cloth soaked in mild detergent and warm water.

## **Painted metal and aluminium**

Wash painted metal finishes with a soft cloth, soaked in warm water and a mild non-abrasive soap. Rinse thoroughly and dry. Scuff marks can be removed using a pre-softened paste wax.
